

a blues record
(i'm gonna cover this cover
in the name of my pain)

improvising peace
(i'm gonna cover this cover
with the joy that I claim)

filling in the blank spaces.....

When you _____

_____ I felt like _____

_____. It sounded like my _____

_____ would just _____ and

I saw _____ I heard _____

_____. I

tasted _____ and smelled _____,

but what I really wanted

was _____

I am dreaming in the safest, most home-like
 place in the world that I am making. As I
 slowly wake up....

I hear _____ and _____

and _____ and _____

I smell _____ and _____

and _____ and _____

and I taste _____ and _____

in the air and when I open my eyes I see _____

And another thing!

(I'm gonna paste a photo, clipping,
song lyric that I want to release
here...and then make a big X thru it
if I feel like it!)

And another thing!

(I'm gonna paste a photo, clipping, song lyric, fallen
leaf, milkshake straw etc. that reminds me of what I
want to create right here.)
